

The Main Question Is —What Rat Leaked the Original B.S. Report ?

Talk about duck and weave , now former Hawthorn president Jeff Kennett has insisted that Hawthorn should not be held responsible for the damage caused to the reputations of Alastair Clarkson, Chris Fagan and Jason Burt. Sadly Clarkson has had to step away from his role at North Melbourne indefinitely on Wednesday to focus on his physical and mental wellbeing, with Brett Ratten to taking on the senior coaching role in his absence. However the pressure, built over months as the AFL investigation has dragged on, had been building on Clarkson in ways the public have not seen. Clarkson stepped down is part due to the burden of the AFL's long-running investigation into allegations of racism at Hawthorn while he was coach. Clarkson expressed his frustrations with his former club Hawthorn last week for its conduct regarding the handling of its investigation .

Sports Tipsters should maybe head to the Watermark Glenelg with Jason Hokianga leading the National AFL Comp on 68 winners , but it does not stop there with Matthew Brown leading the National Racing Comp \$74.30 !!
