

We raise Our Glasses Twice - RIP—Tina Turner— RIP Neil “Nodder” Dansie
Tina Turner became much more than the voice, the face and enormous spiky hair of the game. For many fans, she still is just that indeed. Her association with rugby league attracted a new audience to the game in the late 1980s and early 1990s as part of the ARL's push to entice more women to watch the game live and on TV. “This is a sad day,” Australian Rugby League general manager John Quayle Quayle said. “But rugby league will never forget Tina Turner.” For those that met Nodder they are extremely privileged to have met a S.A. sporting great !!
