

Will the 2023 Matilda's Be Waltzing To The Billabong ??

The Matilda's have certainly come a long , long way since 1974. If we had written an article 20 years ago stating that a crowd of 50,000 is expected to witness their friendly warm up game with France tonight we would have been locked up in Glenside and the keys thrown away !! Anyway good luck to the Matilda's in the their quest to win the 2023 FIFA Women's World Cup that is being hosted in Australia and New Zealand for \$110 Million in prizemoney !! Should the Matilda's venture deep into finals , they may even think they are getting closer to actually placing the World Cup in that Tucker Bag !! While on female sport , congrats to the Adelaide Thunderbirds on winning the Austral-

ia's Netball Super League Grand Final in an extra time thriller !! Everyone loves a Rundle Street Rumour but in this case how long is a piece of string as Aussie cricket fans can't believe David Warner is still in the Aussie side, but surely the winds of change must blow thru the selectors minds and Travis Head will open the Aussie batting lineup.
