

**All Too Common These Days - Little if Anything Gets Done About It !!**

Darwin Jockey Sonja Wiseman was attacked in her car by a gang of up to 15 men on the Stuart Highway in The Narrows . The Police statement says "A 31-year-old woman was allegedly struck in the head with a rock as she sat within her vehicle," Wiseman quoted "These men were literally like a pack of coyotes going on a hunt," "I called Triple 0". she said. "They then smashed me in the face with a rock, broke my nose in three places, cut my lip and smashed my teeth. I tried to drive off the wrong way down the Highway, but a group of them blocked me." When help arrived from the nearby Army Barracks the group best described as "a band of gutless coyotes" simply ran away. Surely this is another Australian wide chilling wake-up call, highlighting the unpredictability of violence , yet our so soft laws allows trouble makers to virtually do what they wish .The Matildas's 4-0 victory over the Olympic champions Canada marked the first time a women's sports event has averaged more than 2 million viewers on television. That's a total reach anyone who watches one minute of con-

tent on television or 15 seconds online – was 4.7 million, making it Seven's most-watched program so far in 2023. Lance " Buddy" Franklin will certainly leave one enormous hole when it comes to people in NSW connecting with AFL , Buddy has definitely been the major part of the AFL public landscape in that part of the Country . Franklin flew the flag for the game no doubt at all and his playing record of 355 games and 1,067 goals has certainly left his mark with the greats of all time !! "
