

## Matilda's —Semi Final Heartbreak —Many Achievements But No Cigar !!

The Matilda's quest to win the 2023 Women's FIFA World Cup came to a sudden halt when they were outplayed by England. The achievement list goes on and on to fully capture the attention of so many Aussies that have never been remotely interested in Women's soccer before and that includes many males as well. It will be interesting to see how many viewers tune in to watch the Final between England and Spain after viewing audience records were smashed on Wednesday night with over 11 million viewers tuning in . As guernsey designs are taking shape for the AFL Tasmanian team ,that leads us to thinking with the upcoming retirement of Richmond's Jack Riewoldt a former Tassie player himself who has so far kicked 786 goals. Richmond has been blessed with Tasmanians with Royce Hart 369 goals, Michael Roach 607 goals , Matthew Richardson 800 goals. So who knows the next Tasmanian full forward may well be another Peter Hudson 2191 goals !! Great effort by Mitchell Manners to call the 26 Les Ross trained Mishani 2 year olds in the jump outs at Beaudesert this week considering they all wore Mike Crooks Sky Blue and white sleeves and Mitchell was not informed of the hat colours until the horses were saddled up , winners were M Invincible, M Fire , M Ego , M Aloha & M Voltage.
