LOZ THE STATS MAN

By: *Lawrie Colliver*

Australia are well placed to win the second test after getting in real trouble on day three when they were 4/16 in their second innings, Mitch Marsh showed a touch of class once again to dig Australia out of trouble and sadly was out for 96, and he's probably not played a much more important innings on home soil. Steve Smith showed his usual fight and skill to make his slowest test 50 on home soil, but succumbed to a short ball at the end of the day. It was a surprise Pakistan didn't try something similar

earlier in the day.

The fact is Pakistan has played better in this test and have some hope here in the last two days. If they can somehow get the Aussie out quickly on Friday morning and have to chase under 300, they'll have an outside chance of winning and levelling the series.

The Strikers a critical game at Marvel stadium tonight. They must win to keep their hopes alive and making the top four. They just need to alter their tactics a little bit and hope the Jake Fraser McGurk doesn't fire against them, if they keep him quiet, they should be able to win the match and get back in the winners circle.

Thanks for reading. Have a great New Year and good luck in 2024.

This would have to be the joke of the year or at least make the 2023 Grand Final !!
