2024 Easter Sports Smorgasbord !!

Big \$\$\$ sports is all about big business decisions across the all sporting boards and if you blinked your eyes regularly and kept focus on the ball in the last 15 years then you would clearly see that sport is now in massive demand on Good Friday. Some may recall the Good Friday "Seafood BBQs" when many sporting teams would have get together to discuss the oncoming season, etc , others were hitting golf balls at the first light of day , the Movie Houses were chocker block ,Airports struggled with extra flights and still do in fact , the country roads Australia wide lead to holiday shacks and where ever there was a special campsite!! To many AFL , NRL , Soccer , Cricket fans ,etc their team / sport has always been a religion and now strongly reflected by them 12 months of the year. The move to play sport on Good Friday's will always raise the question whether it is being either "Saintly or Sinful " and plenty of wags have cheekily suggested that St Kilda Saints should always play the Melbourne Demons on the holy day that has now rapidly grown into a morning of reflection then quickly followed by a holiday afternoon of whatever sport you may choose , most are now on offer !!

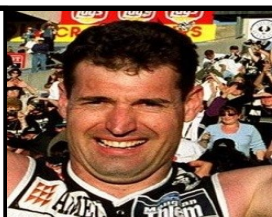

Anyway good on Crows Ben Keays for dumping last Friday nights idiot pitch invader which lead to both Geelong and Adelaide coaches speaking out how they were both disgusted by the spectator's behaviour and it also raised fears for the safety of all players. Chris Scott also quickly referenced the infamous 1982 incident when Australian cricketer Terry Alderman dislocated a shoulder when tackling a pitch invader during an Ashes Test at the WACA ground in Perth. One thing is for sure we bet there were never any pitch invaders back in days when the Gladiators clashed at the Colosseum !!
