The Real Magic Behind The Gather Round

The 2024 AFL Gather Round has only just commenced but the build up and vibration thru out the City of Adelaide and many other South Australian regions has taken this concept to such an even higher level I am not really sure if many so called experts really saw this coming so fast . It is now well documented that even overseas visitors who have never witnessed AFL live before are now planning/ booking ahead for future Gather Rounds after missing out with the "SOLD OUT "Sign being flagged some time ago . The overall concept is pretty well much like the NRL Magic Round that first commenced in 2019 at Brisbane's Lang Park but history shows that England's Super League actually first held its Magic Week-end in Cardiff in Wales, back in 2007, as a bid to promote rugby league there.
