## The Goodwood Stands The Test Of Time !!

The very first Goodwood Handicap was run back in 1881 and for whatever reason was named after the district of Goodwood which is an inner southern suburb of Adelaide. Maybe only the " good people " were allowed to live there at the time who knows !! One thing is for sure the race a 1200 metre sprint has always been won by extremely top line performers including Matrice 1956 , Takeover Target 2009 , Black Caviar 2012 to name just a few . John Letts has ridden 5 winners of the race and Walter Hick-enbotham has trained 6 winners of the race, but wow he also trained the immortal Carbine !!
