Imperatriz—Headline Act

In a sporting week of headlines Champion race mare Imperatriz smashed the record sale price for an Australian broodmare as Yulong had to fork out a cool \$6.6 million to land the 10-time group 1 winner at the Magic Millions, Gold Coast on Tuesday. In AFL GWS Giants defender Leek Aleer pulled off two match saving intercept screamers you will ever witness in the dying minutes against the Geelong Cats to save the game twice. Its certainly worth watching the replay as is the replay of Gold Suns Llyod Johnston's dazzling backflip goal celebration against Carlton. Also reported was record coffee shout at a

Jetty Road cafe, Glenelg on Monday morning by one of Hasta La Fiorente owners who was seen still recounting the winning cash !! RIP—Malcolm Hill— When Malcolm lined up for Sturt in the 1966 SANFL Grand Final fresh from the Riverland as Berri's 1966 Premiership captain/coach some may have thought the huge AO crowd of 59,417 may be a bit daunting for a country lad . Sturt won the premiership and Hill was BOG , but not many knew he played in Hawthorn's 1961 VFL premiership side in front of 107,735 at the MCG . Hill later completed a hat trick of Flags with Sturt plus with Berri in the same years in fact.
