

## The One Prize No Team Really Wants In Any Sport—The Wooden Spoon !!

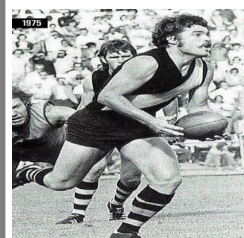

Its that time of the year when everyone reviews their preseason predictions and if you selected the Sydney Swans or the Giants to finish high up the ladder you are going pretty good so far . We all know injuries and form can change the whole scene in the blink of an eye. If the Suns can win away from home they can make the final 8, not sure what to make of the Melbourne after the Dockers did a Deemolition job on them in Alice Springs !! Anyway we all have our own individual prophecies !! Unfortunately one team has to win it each season but North Melbourne is looking like the 2024 wooden spoon winner even at this stage of the season but hopefully not a winless wooden spoon. With consecutive losses of 39 , 26 , 56 , 70 , 75 , 45, 57,35, 68, 40 & 59 pts defeats these statistics do not paint a positive picture!! The bookies cleaned up & kept the Harley Reid / Rising Star money in the bag !! In the VFL / AFL history books the list of winless wooden spoons shows St Kilda with 4 , 1897-1899, 1902. . North Melbourne 3—1926, 1931, 1934 . University 2 - 1913/14 . Hawthorn 2—1928 ,1950 . Melbourne 1919. Fitzroy 1964. In the SAFA / SANFL list of winless wooden spoons shows Glenelg 4-1921/22/23/24 . South Adelaide 4-1909,1926, 1948 ,1950. West Adelaide 3 -1898 , 1906 , 1933 . Kensington 2-1878/79 . Adelaide 2— 1891/92 . Sturt 2-1908,1995. Bankers 1877 . Old Adelaide/Kensington 1881. Royal Park 1882. Gawler 1890. Medindie 1889 . Central Districts 1964. Port Adelaide are not on the list of winless wooden spoons but in 1886, 1896 & 1900 they finished last . So far after 8 rounds of the 2024 SANFL season Port Adelaide has yet to record a win , no Port Adelaide person alive on the planet has ever witnessed Port with a wooden spoon in the last 123 years. The 10 length victory by Warmonger in Queensland Derby saw his Melbourne Cup price tumble in , will we witness Romantic Warrior return for the Cox Plate ? Keep a look out for Beer Baron in the spring !!
