

AFL Hall OF Fame Status—Definitely Not Given Out In Weet-Bix Packets !!

Congrats to the recent AFL Hall Of Fame Inductees Michael Graham, Chris McDermott, Ralph Robertson (deceased), Ray Schofield (deceased), Dane Swan , Kelvin Templeton also including Jason Dunstall being elevated to Legend Status .

Worth noting is the main criteria used by the committee in selecting inductees to the Hall of Fame: The Committee shall consider a candidate's outstanding service and overall contribution to the game of Australian Football in determining a candidate's eligibility for induction into the Hall of Fame. Without limiting clause 5.1, the Committee may consider a candidate's individual record, ability, integrity, sportsmanship and character. The number of football games played, coached or umpired or the years of service provided shall only be a consideration and shall not be determinative in assessing a candidate's eligibility. A player, coach, umpire, administrator or media representative involved at any level of Australian Football may be eligible for induction into the Hall of Fame Candidates shall be adjudged on the basis of their overall contribution to Australian Football, as opposed to one specific aspect.

There will be hundreds other names regularly bought up in many conversations including Brian “ The Whale “ Roberts who is the only player to represent three different States at State of Origin level—1966 South Australia , 1969 Western Australia , 1972 Victoria . Roberts played for Millicent , South Adelaide , East Fremantle , Richmond including 2 VFL premierships 1973-74 and South Melbourne . Is it true Brisbane's Joe Daniher does not watch TV or even have a TV on his country NSW farm ? Will be most interesting if Neil Balme ends up in a part time role at the Crows or Port in 2025 to provide that “Missing Link “ !! All roads on Saturday lead to the 2024 Ipswich Cup Meeting !!
