At The Barriers Podcast by Gary Newton - Morphettville Parks Selections

Race 1: ROCK THE BAR had blinkers added when he won at Geelong, and last start was close up third, looks well placed here.

LONGER ROUTE has a good second up record and looks the danger. Selections 2 from 3

Race 2: Tipping the Victorians to win the first couple of races with one with GRID GIRL looked good winning at Ballarat. BULLET WING raced wide throughout here last time and should improve. Selections: 2 from 5.

Race 3: ZANTHRON drops in grade second up and is smart when right. TRULY ELSA won a trial here on March 4 and has won twice from just 5 starts. Selections: 1 to win from 5

Race 4: SNOOPY NOW returns was in good form when last in work and is a chance first up. NOVELA hasn't raced since January but his form was good. Selections: 5 from 2

Race 5: UP THE DEN led and won at Oakbank. SIR NOW is first up, and I can't find him at a trial or jumpout, but he is smart. Selections: 4 to beat 2

Race 6: DUAL FUEL gets Richelle Milnes and is racing well. MONTEPULCIANO is hard to catch but was runner-up to Gotta Go Guru two starts ago. Selections: 3 to beat 1

Race 7: SYNCHRO bolted in to win his maiden. DUBAI FOCUS won well last start, and the Bain/Taylor team is low-flying. Selections: 1 to beat 2

Race 8: TUPOLEU was scratched from Strathalbyn on Wednesday to run here. ALL SHOT had trouble getting clear running in the straight at Murray Bridge last week. Selections 6 to beat 10

Race 9: RIGHT OF VETO looks above average who chased home Sabaj; looks the best bet on the card. THE GOLDEN FIST was beaten in a photo finish at Murray Bridge last week. Selections: 10 best bet, to beat 1
