What's the possibility another Gatum Gatum or Subzero wins the 2025 SA Derby ?

Gatum Gatum (1961) and Subzero (1992) both won a South Australian Derby and went on to make rare history by winning the famed Melbourne Cup.

Well the cricket world went into a major spin this week when a 14 year old farmer smashed a century off just 35 balls in the IPL . One would think his days of farming are behind him providing success does not go to his head !! Crows fans may well get confused this Saturday at Adelaide Oval when they see former Port Broughton/Mundoora , North Adelaide , Sydney player George Hewett playing for Carlton , Hewett is a dead ringer for Barry from the Toyota TV advert . If you are going thru the form guide for this Saturday's Adelaide Galvanising Industries Adelaide Guineas at Morphettville good luck working out # 3 saddlecloth's race name Harrumph Harrumph unless you know the golf term !!
